RE: CLARE Sober Inn, Detox/Primary Facility

Subject: Letter of Reference

Dear Mr. Chacon,

As a representative of the CLARE Foundation, I was actively involved in all aspects of the CLARE Sober Inn Project. The project was challenging and oftentimes complex, but throughout the course of the construction, the problems that arose were resolved quickly and satisfactorily by AMG & Associates. They managed the job site with professionalism and integrity.

Based on our experience with AMG & Associates, we would not hesitate to consider working with them on future projects.

Sincerely,

A handwritten signature in blue ink, appearing to read "N. Vrataric", is written over the typed name and title.
