QUESTIONS AND CLARIFICATIONS:

Requests for clarification of details on the drawings or of provisions of the specifications have been identified. The questions with the appropriate Metropolitan responses are as follows:

- (1) Question: Due to the holiday season and the DBE requirement, we request the bid date to be pushed a minimum of 2 weeks?
 Answer: Refer to Changes to Bidding Requirements in this addendum. The bid date has been extended to February 9, 2022.
- (2) Question: Will the overhead cranes owned by MWD be able to be used by the Contractor?
 Answer: The existing overhead cranes cannot be used by the Contractor. The crane shall be protected in place during construction per the specification Section 01060, Paragraph 1.08E. The Contractor is required to provide their own temporary lift equipment and supporting submittals for the proposed lift equipment.
- (3) Question: Spec 03300, subparagraph 3.06L.1 states “Except for mass concrete, the temperature of concrete as placed shall not be more than 85°F.” The next subparagraph in 3.06L.2 states “The maximum temperature for Class B and Class L at the time of placement shall be 75°F.” Please clarify discrepancy of maximum temperature of concrete at time of placement.
 Answer: There is no mass concrete in the project and reference to mass concrete has been removed. Refer to Changes to Specifications for Section 03300 in this addendum.
- (4) Question: Specs do not define what is considered mass concrete, nor do plans provide where mass concrete should be used. Please confirm that there’s no mass concrete in the project.
 Answer: There is no mass concrete in the project and reference to mass concrete has been removed. Refer to Changes to Specifications for Section 03300 in this addendum.
- (5) Question: 01010, Paragraph 1.03C refers to spec section 01062. Spec section 01062 is not included in the specs. Please provide spec section 01062.
 Answer: Reference to Section 01062 has been corrected to refer to Section 01060. Refer to Changes to Specifications for Section 01010 in this addendum.
- (6) Question: The electrical drawings are calling out for standard detail book 2015. Standard detail book 2017 was provided in the documentation. Please provide standard detail book 2015.
 Answer: Standard Detail Book for 2015 has been uploaded.
- (7) Question: Please advise if we have the approval to use Lloyd’s of London as an excess carrier to meet the insurance limits requirements.
 Answer: Yes, this is acceptable.
